

source/display/McuGFont.h

```
graph TD; A[source/display/McuGFont.h] --> B[display/McuGFontconfig.h]; A --> C[stdint.h];
```

The diagram illustrates the header file dependencies for source/display/McuGFont.h. It is shown as a dark gray box at the top. Two blue arrows point downwards from its bottom edge to two other boxes below. The left box, labeled display/McuGFontconfig.h, has a white background and a black border. The right box, labeled stdint.h, has a light gray background and a black border.
