

SIM Peripheral Access
Layer

SIM Register Masks

```
graph LR; A[SIM Register Masks] --> B[SIM Peripheral Access Layer]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'SIM Peripheral Access Layer' in two lines. The box on the right is gray with a black border and contains the text 'SIM Register Masks' in a single line. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the register masks to the peripheral access layer.
