

USB Peripheral Access  
Layer

USB Register Masks

```
graph LR; A[USB Register Masks] --> B[USB Peripheral Access Layer]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'USB Peripheral Access Layer' in two lines. The box on the right is gray with a black border and contains the text 'USB Register Masks' in one line. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the masks are used by the access layer.
