

SPI_Type

```
graph BT; A[_dsapi_slave_handle] -.->|callback| B[SPI_Type];
```

The diagram illustrates a callback mechanism. At the bottom, a gray rectangular box contains the text `_dsapi_slave_handle`. A dashed purple arrow points vertically upwards from this box to a white rectangular box at the top containing the text `SPI_Type`. To the right of the arrow, the word "callback" is written in a light gray font.

callback

`_dsapi_slave_handle`
